

then have two options. You can allow the Governor to call a special session, that requires a minimum of seven days. When that begins or ends, I don't know, and we don't have control of that. If you vote to extend it the two additional days, to carry out the correction, we do have control over that, we have control over when that might occur. And I think that's the option. Senator Lamb is absolutely right, it takes 40 votes to extend the session two additional days. I don't know if the body has the will to do that or not. And you need to take that into consideration, frankly, when you vote on LB 829E here. But at this point, I think we raised the issue, and you need to discuss it, and you need to make a decision on what we're going to do with this bill. With that, Madam President, I would like to have an up or down vote on LB 829, let the chips fall where they may. Thank you very much.

PRESIDENT MOUL: Thank you, Senator Kristensen. Do you have anything further on the bill?

CLERK: Senator Hall, I have a motion from you, Senator, to return the bill.

SENATOR HALL: I would withdraw that, Mr. Clerk.

CLERK: Madam President, Senator Schmit would move to return.

PRESIDENT MOUL: Senator Schmit. Okay. Anything further, Mr. Clerk? Please proceed on reading the bill.

CLERK: (Read LB 829 on Final Reading.)

PRESIDENT MOUL: All provisions of law relative to procedure having been complied with, the question is, shall LB 829 pass with the emergency clause attached? All those in favor please vote aye, opposed nay. Have you all voted? Have you all voted? Please record, Mr. Clerk.

ASSISTANT CLERK: (Read record vote as found on page 2908 of the Legislative Journal.) The vote is 35 ayes, 12 nays, 1 present and not voting, 1 excused and not voting.

PRESIDENT MOUL: LB 829 passes with the emergency clause. LB 829A.

CLERK: (Read LB 829A on Final Reading.)
